

# Oshkosh at Night Paddle

**LAUNCH & LAND**  
This out-and-back paddle starts from the accessible landing at 326 Michigan St., near the ramp to the Oshkosh Riverwalk. Restrooms available

Artie & Ed's  
2413 S. Main St.

Yes, Oshkosh is lively after dark. We launch from a small park on the west bank and paddle downstream to near the mouth at Lake Winnebago. Carefully crossing over, we paddle upstream to the Hwy 21 bridge, take a loop into Sawyer Creek and then ride the current back to the put-in.

## HIGHLIGHTS

1. Accessible kayak launch
2. Iron lift bridge
3. Sawyer Creek
4. *Join us afterwards at Artie and Ed's for a burger or malt at a drive-in with actual rollerskating carhops.*
